“Providing bespoke care services that enables our patients to retain control over their treatment and rehabilitation in their own homes”

Early Assessment for Early Intervention

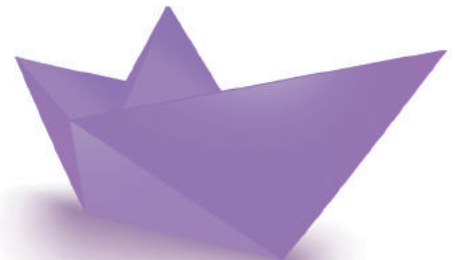

We are committed to help treat our patients as quickly and safely possible.

Under the 2007 Rehabilitation Code, Lorem Rehab offer a comprehensive Immediate Needs Treatment Programmes.

Whilst we specialise within the field of physiotherapy and psychological treatment, Lorem Rehab also completes telephone assessments resulting in high quality, cost effective reports that outline clearly the injured party's needs and associated rehabilitation and support costs.

An injured party may require a range of medical and non-medical treatment such as physiotherapy, counselling, occupational therapy and so forth to aid their progress.

“Providing effective immediate needs treatment and rehabilitation programmes to help patients deal with the consequences of injury, returning them to health and employment”
